The permanent observatory Top Manager Reputation (www.en.topmanagers.it) monthly and analytically analyzes the web reputation of the top executives of the most important companies in the national landscape. Established in 2013 in partnership with Affari & Finanza of La Repubblica, and since October 2018 has become a monthly feature on L'Economia of Corriere della Sera. The analyzed database is composed of digital content detectable online. The ranking examines Web 1.0 channels (news and mentions), those on Web 2.0 (blogs, social networks) and the historical evolution, calculating for each content the reputational contribution in both quantitative (volumes) and qualitative (values) terms.

Non-modifiable and non-reproducible Certificate No. A72E1822 issued on 15/04/2026.

The original certificate copy is digitally stored and protected in the archives of the observatory.
